

Psalm 139:14 says that God made all the delicate, inner parts of my body. He knit me together within my mother's womb. I was made wonderfully complex. God knew me as He was painstakingly designing me with much loving care.

You are created and designed with a purpose. And the blueprints of yours are similar to other human beings but they're not exactly the same. You are unique—and so as the other human.

1. God Created You with Love On Purpose

- You were made with a hole in the center of your soul that only one thing fits. Until you find that very specific something, you will never be fulfilled. And that very specific something is God Himself. You were designed with an intense need of your Creator, God. Without a relationship with Him, you will always be searching for something to fill that void.
- Drugs, alcohol, food, money, sex, material goods, occupations, hobbies, travel, success, fame—these are some of the ways in which we try to fill that empty space inside. But none of those things will ever fill it. You'll never be happy with who you are today unless you begin to praise God for creating you just as you are - fearfully and wonderfully made.

2. Stop Looking at Everyone Else and Look to God

- When you do finally realize that without God you are unable to make the most of yourself, that's when things begin to change. The clay cannot mold itself no matter how hard it tries. However, God, the Potter, cannot only mold His clay but He also knows what His original design of you was. He is both a Potter and an Architect with a Master Plan.
- We all have weaknesses that sometimes make us feel like we are of no use. But God's grace is sufficient to cover our weaknesses. More than that, God's power is made perfect in our weaknesses.

3. Each life matters.

You matter. Often, our significance is hidden from us by forces of evil, our own sinful nature, or the sinful acts of others. But each of us began with God, was uniquely designed by God, is made in His image, and is assigned to our times. His eye is on us.

4. Only God can design and create a human soul.

- Yes, there is a physical, biological process that occurs between humans or in medical laboratories that ignites the reproductive process but infusing a biological being with a soul is God's business.
- Even with the great medical advances of our modern times, the line between life and death is still a “fearful” mystery, and each birth remains a moment of awe. Someone unlike anyone else has entered or left this world. Being present in those moments means understanding the reverence and sanctity of being “fearfully” made.

LET'S DIG IN!

We Are All Fearfully and Wonderfully Made

1. God Knew You Were Special Before He Made You

- God had a plan for your life before you were even created. He knew that you would have a purpose and he made you special. He knew that you would do something for the world and make a difference in the lives of others. Before he created you, he knew who he wanted you to be and what you had to offer the world.

“Before I formed you in the womb I knew you, and before you were born I consecrated you; I appointed you a prophet to the nations.” – Jeremiah 1:5

2. He Has Given You a Purpose

- Everyone has a purpose. We all have a reason for being on this earth. We may not know what that purpose is right now. It may take a while to figure that out, but we all have a purpose. A lot of times, we get frustrated when we are trying to [find our purpose](#).

“Why, even the hairs of your head are all numbered. Fear not; you are of more value than many sparrows.” – Luke 12:7

3. He Knew the World Needed You

- When God created you, he knew that the world needed you. He knew that you would bring joy to others and be able to do well for the world. You may not know what that could be, but trust him; he knows what he is doing. He began a good work in you and he will bring it to completion. He will never leave you stranded.

“For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope.” – Jeremiah 29:11

WORDS TO PONDER

- To be fearfully and wonderful made includes every person from the womb to the tomb as human beings who bear the image of God. “Fearfully and wonderfully made” means God intimately knows every person and all humanity belongs to Him.
